Yuba County Subsidized Employment Program

Let us help you get the job you want by using our Subsidized Employment (SubE) program. The Subsidized Employment program is a partnership between the county and local qualified employers to hire CalWORKs participants, like yourself, who qualify for the program.

When a SubE contracted employer hires a CalWORKs participant, we can reimburse up to 100% of the wages for the first three months, 75% for the next three months and decreases incrementally from there.

As a job seeker who is in the CalWORKs program, SubE may be your ticket to landing the job and help us find employers who may be interested in partnering with the county. If you are interested, please ask your Social Worker about the SubE program! They can enroll you into the workshop and/or provide you with Employer brochures that you can hand to potential employers you interview with. If they are interested in the program they will contact us and we'll do the rest.
