

**Superior Courts Carpet Request for Proposal
Addendum #3**

Due to the change in scope to incorporate hard flooring, the County has extended the proposal closing date and opted to have an optional 2nd site walk. The responses and changes made at the October 13th site walk will be published on Tuesday, October 21st.

To accommodate this additional site visit and the change in scope, the closing date has been extended to November 13, 2014 at 5pm PST.

Please email aarmstrong@co.yuba.ca.us if you will be attending the 2nd site walk on October 30th beginning at 3pm and meeting at the front of the courthouse.
