The County of Yuba is requesting proposals from a qualified vendor to provide on-site and on-call medical, dental, vision, behavioral, and other services to detainees housed in Yuba County detention facilities. This proposal shall be for services in the Yuba County Jail facility located in the County Courthouse and shall also include an alternate proposal to also provide similar services for the Tri-County Juvenile Rehabilitation Facility. Both are located in Marysville, CA. It is the County's intention to award services for the jail or for both locations; it is not our intention to award them separately.

The County intends to award a contract for three (3) years with an option to renew for two additional one (1) year extensions.

Yuba County is committed to meeting the healthcare standards as set forth in the National Commission on Correctional Healthcare (NCCHC) standards for jail facilities, accreditation through Institute for Medical Quality (IMQ), as well as Title 15, Title 24, and any other statutes or regulations applicable to these facilities.

Please review the document carefully to ensure you are familiar with the County's requirements.

A Bidder's Conference will be held on Friday February 24, 2017 at the Yuba County Courthouse, 215 5th Street Marysville CA in the Probation Conference Room (off Main Lobby) at 9:00 a.m. Please complete the Response Form in Exhibit G and return to aarmstrong@co.yuba.ca.us . I. DECIPTION OF FACILITIES

A. Yuba County Jail ('jail')

The Yuba County Jail is located on the north side of the County Courthouse in Marysville on Sixth Street between "B" Street and "C" Streets [official address: 215 5th St.].

The original jail was built in 1962 and a major renovation and addition was completed in 1994. The county jail has a capacity of 426 prisoners. In 2006 the average daily population was 374 inmates which comprised on average of 160 ICE contract prisoners and 214 county prisoners. The county prisoner population is made up of those who are sentenced to county jail and those who are awaiting trial or sentencing. And the County does currently have a contract with Immigration and Customs Enforcement (ICE) to hold ICE detainees.

The jail currently has 4 single and 4 double bed cells located near the medical area to allow medical staff to monitor them regularly. There are cameras in the adjacent common areas. There are also 2 'safety cells' adjacent to the booking area.

See Appendix A for medical stats.

Yuba County has been awarded a \$20 million grant from the Bureau of State and Community Corrections to construct space adjacent to the jail building intended to contain medical beds, behavioral health beds, and programming space. There will be no additional detention housing space. Construction expected to begin in early 2018 or sooner.

B. Tri-County Juvenile Rehabilitation Facility ('JRF')

The Tri-County Juvenile Rehabilitation Facility operates under a Joint Powers Authority between the three Counties of Yuba, Sutter, and Colusa.

The facility is a 60 bed, 24-hour secure detention facility providing detention services for youth from these Counties. The facility is located at 1023 14th Street, in Marysville. It is a temporary holding facility for youth who are pending disposition before the Juvenile Court. Although a small number of youth are serving court ordered commitments, the majority of the youth detained in the facility are pending Juvenile Court proceedings.

Maxine Singer Youth Camp

Another key component of the Juvenile Facility is the Maxine Singer Youth Guidance Center, "Camp Singer." It is a 60 bed facility opened in 2001 as a joint effort between the Yuba and Sutter County Probation Departments. It was developed as an alternative to out of home placements and extended Juvenile Hall stays. Camp Singer provides a safe environment featuring open dormitory housing and focuses on providing a highly-structured and disciplined environment which will help curb the youth's delinquent behavior.

The current juvenile facility was originally constructed in 1946, with additions added over the years. The County of Yuba has been awarded a pair of funding grants from the Board of State and Community Corrections to construct a new 48 bed Tri-County facility; currently slated for construction beginning in the late summer / early fall of 2017.

C. Local Hospital Resources

Rideout Health in Marysville is a non-profit community-based hospital with 243 beds, a Level III Trauma Center, and is the only STEMI Center hospital north of Sacramento. Rideout Health employs more than 2200 employees and has approximately 300 physicians on the medical staff.
