DEADLINE FOR QUESTIONS

No questions will be accepted after the advertised date and time. Questions and responses will be posted on the County website.

The County of Yuba is requesting engineering evaluation services to design a new replacement air handler unit and exhaust fan unit. The current units (air handler S-18 and exhaust fan unit E-19) are located in the basement of the Yuba County Courthouse located at 215 5th Street, Marysville, CA 95901.

The courthouse facility was built in 1962. Due to the age, asbestos may be present.

The first step in this process is to obtain a proposal for engineering services for plans, specifications and an engineer's estimate to complete based on the engineers proposed plan. A contract will be awarded for the engineering portion of the work only. The County will conduct a bid for construction services separately after engineering and an engineer's estimate are completed.

Details below are a general outline of the work the County foresees taking place in the next steps, which is the construction phase. Engineers will be required to define the actual best methods for demolition and the best location for the installation of the new unit.

The County has looked at several options including leaving the units in the basement as well as installing them at ground level. The County is looking to the engineer to present their best recommendation, a proposal for the engineering of that recommendation and a price estimate for the construction of said recommendation. The final selection decision will be based solely on the best recommendation with price not being the main factor.

I. DEMOLITION, if applicable

1. Remove and dispose of existing air handling unit S-18; a 20,800 cfm basement AHU and all associated devices.
2. Remove existing exhaust fan unit

II. NEW MATERIALS AND WORK TO BE COMPLETED

4. Provide and install new exhaust fan unit of required and appropriate size and flow.
5. Air handler shall have a 7.5 hp supply fan with premium efficiency motor, supply airflow 21,000 CFM at 2" wc static, cooling coil shall have minimum 550 MBH, EWT/LWT 42/52F, EAT 88DB/67WB, LAT 55DB/50.5WB, 4" pipe connection.
6. Both air handling units shall have coatings appropriate for outdoor installation (if necessary).
7. Include all required electrical and controls connections.

8. Start-up and commissioning plans, if applicable.
9. Associated condenser water piping, return and supply air ducts from point of connection to new units shall be included.
10. Provide proper condensate trap, piping, and drain.
11. Replacement of re-heat coils, associated piping and ducting in basement shall be included.
12. Insulation shall be included.
13. Units shall be pre-equipped with the ability to connect to County's BAS controls. Controls are Siemens Talon system.

Failure to comply with this term may result in cancellation of contract and elimination of any obligation from County.
8. Background Checks. The County may require background checks of any personnel with unrestricted access to county physical sites. Vendor should be prepared to have employees background checked at their own expense, upon request by County. This would typically include fingerprinting and subsequent checks of Department of Justice

and Federal Bureau of Investigation records. The cost of this type of background check differs depending on where the check is initiated, but is typically less than \$100 per person.

9. Bidder must demonstrate that they have the technical expertise, facilities, capabilities and financial resources necessary to perform the work in a satisfactory manner.
10. Part of the selection process may include a credit check and financial evaluation of the business/independent contractor.

The site inspection shall provide the bidders the opportunity to field verify existing conditions, existing equipment locations and types, and any other condition that may affect the work, including access, and availability of spaces. The bidder's estimate shall include estimated costs to execute their recommendation, including but not limited to, removal/replacement of equipment, interferences, mounting, fit-up, installation and testing/commissioning of equipment, systems and interconnecting wiring and including but not limited to all labor, associated materials, permits and fees, insurance, contingency, overhead, and profit.

V. SUBMISSION REQUIREMENTS

Submissions shall include a comprehensive description of the Bidders recommendation for engineering and replacement. This shall include all items outlined in this document as well as any additional information that could affect pricing, service, accessibility, or schedule. Bidders shall include a mock drawing to show their recommendation. Detailed drawings, specifications, schedule and work plan is not required with your proposal but would be required as part of the contracted work.

As mentioned prior, the County intends to award to the engineering firm that provides the best recommendation and price is not solely the main factor in selection.

Proposals shall include the following:

1. *Cover Letter / Executive Summary*, including: A brief statement as to the proposers understanding of the work to be performed, the commitment to perform the work, and

CONSULTANT shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which CONSULTANT is engaged. All products of whatsoever nature which CONSULTANT delivers to COUNTY pursuant to this Agreement shall be prepared in a first class and workmanlike manner and shall conform to the standards or quality normally observed by a person practicing in CONSULTANT's profession.

D.9 POSSESSORY INTEREST. For all purposes of compliance by COUNTY with Section 107.6 of the California Revenue and Taxation Code, this recital shall be deemed full compliance by the COUNTY. All questions of initial determination of possessory interest and valuation of such interest, if any, shall be the responsibility of the County Assessor and the contracting parties hereto. A taxable possessory interest may be created by this contract; and if created, the party in whom such an interest is vested will be subject to the payment of property taxes levied on such an interest.

D.10 TAXES. CONSULTANT hereby grants to the COUNTY the authority to deduct from any payments to CONSULTANT any COUNTY imposed taxes, fines, penalties and related charges which are delinquent at the time such payments under this Agreement are due to CONSULTANT.

D.11.2 COUNTY shall have full ownership and control of all such writings or other communications delivered by CONSULTANT pursuant to this Agreement.

D.11.3 COUNTY shall pay CONSULTANT the reasonable value of services rendered by CONSULTANT to the date of termination pursuant to this Agreement not to exceed the amount documented by CONSULTANT and approved by COUNTY as work accomplished to date; provided, however, COUNTY shall not in any manner be liable for lost profits which might have been made by CONSULTANT had CONSULTANT completed the services required by this Agreement. In this regard, CONSULTANT shall furnish to COUNTY such financial information as in the judgment of the COUNTY is necessary to determine the reasonable value of the services rendered by CONSULTANT. In the event of a dispute as to the reasonable value of the services rendered by CONSULTANT, the decision of the COUNTY shall be final. The foregoing is cumulative and does not affect any right or remedy which COUNTY may have in law or equity.

CONSULTANT shall also abide by the Federal Civil Rights Act of 1964 and all amendments thereto, and all administrative rules and regulations issued pursuant to said Act. CONSULTANT shall give written notice of its obligations under this clause to any labor agreement. CONSULTANT shall include the non-discrimination and compliance provision of this paragraph in all subcontracts to perform work under this Agreement.

D.14 OWNERSHIP OF INFORMATION. All professional and technical information developed under this Agreement and all work sheets, reports, and related data shall become the property of COUNTY, and CONSULTANT agrees to deliver reproducible copies of such documents to COUNTY on completion of the services hereunder. The COUNTY agrees to indemnify and hold CONSULTANT harmless from any claim arising out of reuse of the information for other than this project.

D.15 WAIVER. A waiver by any party of any breach of any term, covenant or condition herein contained or a waiver of any right or remedy of such party available hereunder at law or in equity shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein contained or of any continued or subsequent right to the same right or remedy. No party shall be deemed to have made any such waiver unless it is in writing and signed by the party so waiving.

D.16 COMPLETENESS OF INSTRUMENT. 2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONSULTANT has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than \$1,000,000 per accident for bodily injury and property damage.

3. **Workers’ Compensation** insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than \$1,000,000 per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions)** Insurance as appropriate to CONSULTANT’s profession, with limits no less than \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

If the CONSULTANT maintains higher limits than the minimums shown above, COUNTY requires and shall be entitled to coverage for the higher limits maintained by CONSULTANT.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status

COUNTY, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto policy with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of CONSULTANT; and on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of CONSULTANT including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONSULTANT’s insurance (at least as broad as ISO Form CG 20 10, 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).

Primary Coverage

For any claims related to this contract, **CONSULTANT's insurance coverage shall be primary** insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, or volunteers shall be excess of CONSULTANT's insurance and shall not contribute with it.

Notice of Cancellation

Each insurance policy required above shall state that **coverage shall not be canceled, except with notice to the COUNTY.**

Waiver of Subrogation

CONSULTANT hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONSULTANT may acquire against COUNTY by virtue of the payment of any loss under such insurance. CONSULTANT agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

Deductibles and Self-Insured Retentions

Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require CONSULTANT to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the COUNTY.

Claims Made Policies

If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.
2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, CONSULTANT must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

Verification of Coverage

CONSULTANT shall furnish COUNTY with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive CONSULTANT's obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subconsultants

CONSULTANT shall require and verify that all subconsultants maintain insurance meeting all the requirements stated herein.

Special Risks or Circumstances

COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
