Addendum #1 To Pest Control RFP

Items to be added

1. Ant Control is to be added to Item 1 on page 2 under Scope of work.
2. Add the Packard Avenue facility to the Service Locations page. Address is 5730 Packard Ave. We are asking that vendors include a separate page for the Packard Facility in their bids.
3. Please define your extra charges for termite infestation, as this is not part of the normal scope of work.
4. Bird control is not part of the RFP and will be done on an as needed basis. Please provide your hourly rate to perform these services if you are interested.
5. The Animal Control facility often has a wasp issue during the summer. Please provide an hourly rate to address this issue.
