

**CONFLICT OF INTEREST CODE FOR
THE COUNTY OF YUBA
(2018)**

The Political Reform Act, Government Code Sections 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations, Section 18730, which contains the terms of a standard conflict of interest code. The regulation can be incorporated by reference and may be amended by the Fair Political Practices Commission, after public notice and hearings, to conform to amendments to the Political Reform Act. Therefore, the terms of 2 California Code of Regulations, Section 18730, and any amendments thereto duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference and, along with the attached Appendices in which officers, employees and consultants are designated and disclosure categories are set forth, constitute the conflict of interest code of the County of Yuba.

Recognizing that different positions have different levels of power and responsibility, this Conflict of Interest Code establishes categories of disclosure to which positions are assigned based on the scope of their decision making authority. Positions with no significant decision making responsibility are classified as exempt and are not required to file statements under this Code.

The job titles of the officers, employees, and consultants of this governmental entity and the categories to which they are assigned are set forth in **Appendix A** attached hereto and incorporated herein by reference. The specific disclosure and

reporting requirements of each category are set forth in **Appendix B** attached hereto and incorporated herein by reference.

Consultants are also subject to the disclosure requirements of this conflict of interest code if they are in a position to make decisions or influence decisions that could have an effect on their financial interest.

Designated employees shall file statements of economic interest with the Yuba County Clerk before April first of each year. The Yuba County Clerk shall make the statements available for public inspection and reproduction when appropriate pursuant to Government Code section 81008.

In any event, all County officers, employees and agents are disqualified and shall not make, participate in making or in any way attempt to use his or her official position to influence the making of any governmental decisions which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, upon such officer, employee or agent, or a member of his or her immediate family.

A copy of the California Code of Regulations shall be available for review at the Yuba County Library.
