Final Filing Deadline:

OPEN UNTIL FILLED

The County of Yuba is currently recruiting for the position of **Public Health Nurse Intern, Public Health Nurse I/II** in the Health and Human Services Department. This position provides the full range of public health nursing services including teaching, health assessment, and counseling services in home, clinics, schools and community centers in connection with the prevention and control of diseases and adverse health conditions; performs related work as assigned.

Public Health Intern is the intern level in the public health nursing class series. Public Health Intern is a recruiting and training level class established to qualify candidates for duties as a PHN I/II in Yuba County Health & Human Services Department. Under close supervision, incumbents learn and perform a variety of public health nursing duties in assigned program areas while pursuing a Public Health Nurse Certification. Upon satisfactory completion of the Public Health Nurse Certification, the Public Health Nurse Intern is eligible for promotion to the level of PHN I. Incumbents who do not successfully complete the Public Health Nurse Certification as prescribed herein may be released from employment.

Public Health Nurse I is the entry level in this class series. Initially under close supervision, incumbents learn and perform a variety of public health nursing duties in assigned program areas. As experience is gained, assignments become more complex and are performed under more general supervision. This class is flexibly staffed with the PHN II and incumbents may advance to the higher level after gaining experience, qualifications and demonstrating proficiency which meet the requirements for the higher level class.

Public Health Nurse II is the journey level in this class series, fully qualified to provide public health nursing services for complex cases and to review the work of para-professional or support staff assigned to a nursing team. This class is distinguished from Public Health Nurse III in that the latter has programmatic responsibility and may provide lead direction of staff in addition to performing the full range of public health nursing duties.
