

## **Lasik Discount Benefit**

LASIK has helped millions of people enjoy life without glasses or contact lenses. Want to make better vision a reality? Find out if you are a LASIK candidate.

Through a special arrangement with Yuba County, TLCVision makes quality LASIK services more affordable. When you have LASIK performed at a TLCVision Advantage Network location, you will save substantially off of the usual and customary charges for LASIK with TLC's Advantage Program.

Make an appointment for a complimentary consultation to see if you are a candidate, then save on the cost of LASIK with the TLC Advantage Program!
